

PINBALL UNIVERSE Assembly Blade *L*

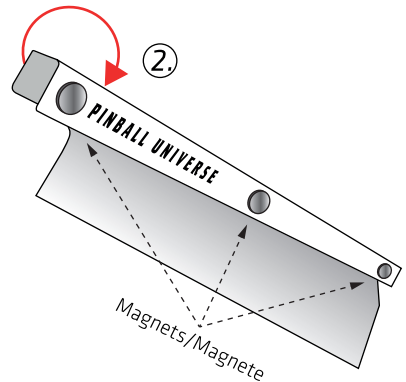

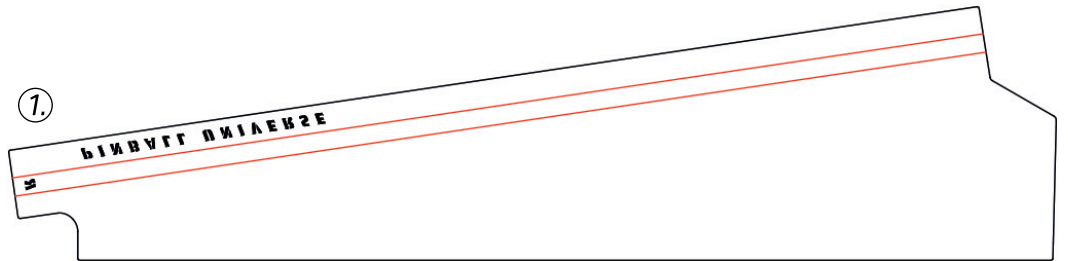

USA

Lay Assembly Blade as seen in Pic 1. Bend twice, 90° each along dotted lines (indicated red) so that **PINBALL UNIVERSE** stands in front, reading correctly. Remove peel from 3 safety magnets, apply magnets (Pic 2).

D

Assembly Blade hinlegen wie im Bild 1 zu sehen. Entlang beider Perforationslinien (rot markiert) je 90 Grad nach vorn falzen, sodass **PINBALL UNIVERSE** korrekt zu lesen ist. Schutzfolie von 3 Magneten abziehen, Magnete aufkleben (Bild 2).

PINBALL UNIVERSE Assembly Blade *R*

USA

Lay Assembly Blade as seen in Pic 1. Bend twice, 90° each along dotted lines (indicated red) so that **PINBALL UNIVERSE** stands in front, reading correctly. Remove peel from 3 safety magnets, apply magnets (Pic 2).
